Document révisé en février 2025

Pour que le test soit positif, vous devez voir la mention « Authenticated by INRAE » dans le bandeau supérieur droit, comme dans l'exemple ci-dessous :

The screenshot displays the Cambridge Core website interface. At the top left is the Cambridge University Press logo. The top navigation bar includes links for 'Discover Content', 'Products and Services', 'Register', 'Log In', and '(0) Cart'. Below this, a dark blue header contains 'Cambridge Core', 'Browse', 'Services', and 'Open research'. On the right side of this header, a user is authenticated, indicated by a house icon and the text 'Authenticated by INRAE - Antilles-Guyane'. A dropdown menu is open below this text, listing several INRAE regional entities: 'INRAE - Antilles-Guyane', 'INRAE Bourgogne - Franche-Comté', 'INRAE Occitanie - Montpellier', and 'INRAE Nouvelle-Aquitaine - Poitiers', along with a 'Manage Account' option. The main content area features the 'Cambridge Core' logo and the tagline 'The home of academic content'. A search bar is positioned at the bottom center with the placeholder text 'Search all journal & book content' and a search icon. Below the search bar is a 'Browse by subject' button.
