

# Test Nature

## Document révisé en mars 2020

Pour que le test soit positif, lorsque le texte intégral est disponible, au niveau de l'article au format HTML et en en-tête du bandeau latéral droit, vous devez voir la mention « You have full access to this article via **INRAE** », exemples ci-dessous:

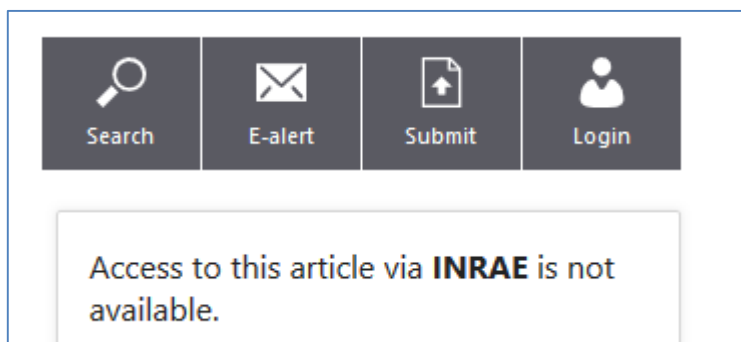

The screenshot shows the top navigation bar of the Nature journal website. The breadcrumb trail is "nature > articles > article". The journal name "nature" is prominently displayed. On the right, there are icons for Search, E-alert, Submit, and Login. The article title is "Entanglement of two quantum memories via fibres over dozens of kilometres", published on 12 February 2020. The authors listed are Yong Yu, Fei Ma, Xi-Yu Luo, Bo Jing, Peng-Fei Sun, Ren-Zhou Fang, Chao-Wei Yang, Hui Liu, Ming-Yang Zheng, Xiu-Ping Xie, Wei-Jun Zhang, Li-Xing You, Zhen Wang, Teng-Yun Chen, Qiang Zhang, Xiao-Hui Bao, and Jian-Wei Pan. The article is from Nature 578, 240-245(2020). A blue arrow points to a box on the right side of the article that says "You have full access to this article via **INRAE**" and includes a "Download PDF" button. Below this, there are tabs for "Sections", "Figures", and "References", and a list of sections including "Abstract", "Main", and "Quantum memory with telecommunicati...".

The screenshot shows the top navigation bar of the Nature Genetics journal website. The breadcrumb trail is "nature > nature genetics > articles > article". The journal name "nature genetics" is prominently displayed. On the right, there are icons for Search, E-alert, Submit, and Login. The article title is "Genetic studies of urinary metabolites illuminate mechanisms of detoxification and excretion in humans", published on 20 January 2020. The authors listed are Pascal Schlosser, Yong Li, and Anna Köttgen. The article is from Nature Genetics 52, 167-176(2020). A blue arrow points to a box on the right side of the article that says "You have full access to this article via **INRAE**" and includes a "Download PDF" button. Below this, there are tabs for "Sections", "Figures", and "References", and a list of sections including "Abstract" and "Main".

A l'inverse lorsque le texte intégral n'est pas disponible, vous avez la mention "Access to this article via **INRAE** is not available":

The screenshot shows a dark navigation bar with icons for Search, E-alert, Submit, and Login. Below the navigation bar, a white box contains the text: "Access to this article via **INRAE** is not available."

Vous n'avez aucune mention lorsque l'article est en Open Access:

The screenshot shows the top portion of a research article page. At the top left, there is a red arrow icon followed by the text 'Open Access | Published: 18 October 2019'. The main title is 'Clinical significance of TP53 variants as possible secondary findings in tumor-only next-generation sequencing'. Below the title, the authors are listed: Yoshihiro Yamamoto, Masashi Kanai (with an envelope icon), Tadayuki Kou, Aiko Sugiyama, Eijiro Nakamura, Hidehiko Miyake, Takahiro Yamada, Masakazu Nishigaki, Tomohiro Kondo, Hiromi Murakami, Masako Torishima, Shigemi Matsumoto, Shinji Kosugi & Manabu Muto. The journal information is 'Journal of Human Genetics 65, 125–132(2020) | Cite this article'. At the bottom left of the article preview, it says '901 Accesses | 1 Altmetric | Metrics'. On the right side, there is a blue button labeled 'Download PDF' with a downward arrow icon. Below this, there are three tabs: 'Sections' (which is active), 'Figures', and 'References'. Under the 'Sections' tab, a list of article sections is provided: Abstract, Introduction, Methods, Results, Discussion, References, and Acknowledgements.

Vous pouvez compléter ce test en vérifiant que le lien partageable « shareable link », lorsque le contenu est contractuel, est proposé à la section « About this article », item « Share this article », en bas de page, copies d'écran page suivante.
