

Test PNAS

Document révisé en mars 2025

Pour que le test soit positif, vous devez voir la mention « **Access provided by INRAE** » en haut, comme dans l'exemple ci-dessous:

<https://www.pnas.org/>

The screenshot shows the PNAS website interface. The top navigation bar is dark with the PNAS logo on the left and several menu items: ARTICLES, FRONT MATTER, AUTHORS, TOPICS +, and a COVID-19 button. On the right side of the header, there is a search icon, a shopping cart icon, and buttons for SIGN IN and SUBMIT. A text box in the top right corner, circled in orange, reads: "Access Provided By INRAE, INSTITUT NATIONAL DE LA RECHERCHE POUR L'AGRICULTURE, L'ALIMENTATION ET L'ENVIRONNEMENT". Below the header, the main content area features a large image of a hand holding a glowing object. The text "March 4, 2025; vol. 122 no. 9" is prominently displayed in the center, with "Volume 122, Issue 9: View articles in the latest issue of PNAS." below it. The PNAS NEXUS logo is visible in the bottom right corner.
