

Test Taylor & Francis

Document révisé en mars 2025

Pour que le test soit positif, vous devez voir la mention « **Access provided by INRAE** » en haut, comme dans l'exemple ci-dessous:

The image shows the top section of the Taylor & Francis Online website. The header contains the logo on the left, followed by 'Browse', 'Search', and 'Publish' with dropdown arrows. A blue box highlights the text 'Access provided by INRAE'. To the right are 'Login | Register' and a shopping cart icon. The main banner area has the heading 'Search peer-reviewed journals and articles', a search input field with the placeholder 'Enter keywords, authors, DOI, etc', a search button, and an 'Advanced search' link. Below this, it states '5,348,000+ articles' and a 'Find a journal' button.
